

## Winter Social Sees Splendid Support

On a wet and miserable Sunday in December, the village hall seemed even more welcoming than usual as members arrived for the winter social and competitions. Tables and chairs were arranged and everything set up for the event. Entries were recorded under the supervision of Jo Castle and June Pollard who would also be collating all the results.

As usual, Chairman, Maggie Wright, began proceedings with the notices and also few words about the excellent venue and the friendliness of the club.

There was definitely a warm atmosphere as members got down to the serious business of judging.

It was very encouraging to see so many entries in all classes, particularly the novices who are sometimes rather shy about showing their work, feeling it is not good enough. Competition however, encourages a higher standard of work as was evident from the submissions.

Members judging the three classes.

As judging drew to a close, Mike Pollard and team organised the heating of food and the buffet lunch was set out.

Members were soon enjoying the lovely array of food along with punch and wine.

With appetites satisfied, members were grouped into teams of three or four for the afternoon entertainment. This was organised by Maggie aided by Anne Smith. There were various tasks set out on the tables and each team had a minute to learn the task and five minutes to complete it before moving on to the next. Maggie was the timekeeper. Due to the over enthusiasm of the teams, time ran out before they had completed all the tasks which meant there could be no overall winner. It was however, great fun especially as the prizes which were sweets, were shared by everyone.

Following the fun and games the usual appraisal of the entries took place. Members said a little about their piece and certificates and cups were presented. So proceedings came to an end.

Thank you to everyone who contributed to a successful day, particularly Jo Castle and June Pollard who are not actually members, and of course the committee.

Thank you to all members and friends who attended and contributed to the buffet lunch.

Please bring some of your turnings to share your ideas with others. Even work that went wrong can provide valuable tips for all of us.

### **Thank you**

Over the last year, members have regularly helped at meetings alongside the committee. Mike Moon has kept us supplied with tea and coffee.

Adrian Dubery has run the raffle.

Brian Rowson and his team regularly arrived early to set up the audio visual system.

Then of course there are those who help prepare the hall for the meetings and who help clear up afterwards not forgetting all the committee members who work hard behind the scenes.

A big thank you to them all.
